Please Read:

This scan uses frequency which detects energy imbalances in the body. The AO Scan is used only to balance and optimize your individual energy patterns. It is not a diagnostic tool and cannot diagnose or treat any condition or disease. Although it contains markers found in blood work or other medical tests it is not a medical test and cannot be considered reliable or a replacement for actual medical test. This is strictly a vibrational experience.

All health and health-related information contained within this report is intended to be general and/or educational in nature and should not be used as a substitute for a visit with a health care professional for help, diagnosis, guidance and treatment. The advice is intended to offer only general information for individuals to discuss with their health care provider. It is not intended to constitute a medical diagnosis or treatment or endorsement of any particular test, treatment, procedure, service, etc. Reliance on information provided at this report is at the user's risk. Your health care provider should be consulted regarding matters concerning the medical condition, treatment and needs of you and your family.

Although efforts are made to include information in this report that is accurate and timely, there are no representations or warranties regarding errors, omissions, completeness or accuracy of the information provided.

Disclaimer of Liability:

AO Scan, LLC does not warrant the content of this website and specifically disclaims, to the fullest extent permitted by law, any and all warranties, express or implied, of any kind or nature whatsoever. Furthermore, **AO Scan, LLC** will not be liable to you for any damages, claims, demands or causes of action, direct or indirect, special, incidental, consequential or punitive, as a result of your use of this website or any information you obtain from it.
